Donald:

These are the companies that EPA sent General Notice Letters (GNLs). This is the first round and their will be additional sent. I had the TCEQ List at one time but I can't find it right now so I will send it to you once I located it. Remember, these are **POTENTIALLY** Responsible Parties. Liability and Viability has not yet been completely been determined.

Advanced Aromatics (2 entities as same address, one an L.P & the other an LLC)

Yes, but they are Potentially Responsible Parties. I will see if I can share.

Thanks

Gary

Gary,

I saw a reference to Lubrizol as being a Principal Responsible Party for cleanup at CES, have any other companies been identified yet?
